TMR Transaction Summary Enhanced

Access: ICD > Reporting > reportQ > Quick Reports > Proprietary > TMR Transaction Summary Enhanced

Description: An enhanced version of the TMR Transaction Price Summary report that provides a higher-level view of transaction data split across several tabs in an Excel format. You may still refer to the original TMR report if necessary.

Selection Criteria:
- **Required.** Account Code, Start Date, End Date *(date range is limited to six months)*
- **Optional.** Customer ID, Card Number, Employee Number, Merchant State, Unit Number, Merchant Chain Code

Additional Details: Available in Excel format only.

Report Tabs:
- **Customer ID Summary.** Summary of transaction details by customer ID
- **Cardholder Summary.** Summary of transaction details by cardholder by customer ID
- **Cardholder Detail.** Provides more cardholder details, such as their driver's license number and merchant information
- **Unit Number Summary.** A summary of transaction details by unit number
- **Unit Number Detail.** Provides more details for each unit number, such as their assigned customer ID and cardholder
- **Chain Summary.** Summary of transaction details for each merchant chain
- **Chain Detail.** Provides more details for merchant chains, such each merchant name, address, city, state, and zip code.
- **State Totals.** Totals for your account code by each state.
- **Cash Advance.** Cash advance information for each cardholder by customer ID.
- **Transaction by Date.** Similar to Customer ID Summary, but contains a date column

(see field descriptions on next page)
